Finger-Jointed Hevea

Countertop 25 ½" x 72" x 1 ½"

Countertop 25 ½" x 96" x 1 ½"

Island Top 39" x 74" x 1 ½"

Hevea is a hard, tropical wood of medium density offering a long lifespan. Known for its sustainable culture that respects the environment, hevea is harvested at the end of its life after having completed its latex production cycle.

Its unique yellowish-white colour is very attractive and easily compatible with all styles. For a successful look, combine it with glass, steel, stainless steel or any other dark metal. The modern elegance of hevea makes it a great choice for design enthusiasts.
